Queen’s Birthday Weekend
Monday is a public holiday please enjoy this long weekend with your children. I am taking a family leave day on Friday and will return on Tuesday.

Bike Day
We will be having a bike day next Friday 12th June. Students are encouraged to ride or bring their bikes to school. All students must have a helmet. Students will be allowed to ride their bikes during lunch and recess breaks under the COLA.

Athletics Carnival
Singleton Small Schools athletic carnival is shaping up to be a great day on Wednesday 17th June at Alroy Oval. All students are expected to attend and the school will be closed on the day.

Smoking
Please remember that smoking is not permitted within a 10 metre perimeter of the school fence.

KAOS (Kids Active On Stage)
We have begun practicing our items for our combined performance in Singleton on Wednesday 22nd July. In 2013 the evening was a brilliant success with the Broke students definitely being the outstanding act on the night. Would ‘old families’ please talk this night up to ‘new families’ to encourage 100% participation, thanks. We have two amazing items to present for your entertainment.
Science Discovery Day
All students in the Wallabies class will attend the Science Discovery Day in Muswellbrook on Thursday 18th June. The bus will leave Broke School at 8am and return by 3:30pm. This is a fantastic, interactive learning experience for the students. A sausage sizzle lunch is provided. Please return your permission notes as soon as possible.

First Aid Training for Years 3-6
On Wednesday, Luke Grainger, from St John’s Ambulance gave a 45 minute training session to the students in Years 3-6. They had a great time learning about bandaging, managing bleeding, the recovery position and who to call in an emergency. All fantastic skills for anyone to have, let’s just hope they are not needed.

Small Schools Soccer Gala Day
Congratulations to our wonderful soccer players on Tuesday. From all reports all students played well and had a fantastic time representing the Singleton Small Schools. Thank you to all the mums and dads who were able to take the students to Branxton on the day.

P&C Need Volunteers
Our P&C are running the canteen at the upcoming athletics carnival which will be a great opportunity to raise some funds. To enable this to happen we will be sending home a roster next week which will be split into shifts for the day (allocated by family). If the time allocated doesn’t suit, please arrange to swap it with another family on the roster. Thank you so much!
