  Last day of term 2

**Staffing**

Mrs Langley has decided to take early retirement. She will not return to our school this year.

Mrs Langley’s outstanding contributions to education and our local community span many years. I am sure there are many who would like to celebrate her teaching career however at her request we will wait until the end of this school year.

**Crazy Hair**

Crazy hair day was a huge success. The student’s hair was amazing!!! Thank you to everyone for their big efforts. Thank you very much to Belinda Stafa for her support of this great cause. Belinda donated $40 from recent earring sales to our fundraising which bought the total of the day to $134!

**Bike Day**

Don’t forget bike day tomorrow. Students are encouraged to ride or bring their bikes to school. All students must have a helmet. Students will be allowed to ride their bikes during lunch and recess breaks under the COLA.

**Athletics Carnival**

Singleton Small Schools athletic carnival is shaping up to be a great day next Wednesday 17th June at Alroy Oval. All students are expected to attend and the school will be closed on the day. Events will commence promptly at 9am.

**Science Discovery Day**

All students in the Wallabies class will attend the Science Discovery Day in Muswellbrook on Thursday 18th June. The bus will leave Broke School at 8am and return by 3:30pm. This is a fantastic, interactive learning experience for the students. A sausage sizzle lunch is provided.
KAOS (Kids Active On Stage)
We have begun practicing our items for our combined performance in Singleton on Wednesday 22nd July. In 2013 the evening was a brilliant success with the Broke students definitely being the outstanding act on the night. Would ‘old families’ please talk this night up to ‘new families’ to encourage 100% participation, thanks. We have two amazing items to present for your entertainment.
