Week 10
Friday 18th September
Last day of Term 3

Education Week Celebrations
Thursday July 30th

12:45-1:15 Open classromms
1:15-2pm BBQ lunch
2-3pm Assembly and farewell to Mrs Langley

We hope you can join us next Thursday to celebrate Education Week. You are encouraged to come along and have a look at your child’s classroom and let them show you their books, art works and what they are working on in class. Have a browse through the newly refurbished library - did you know we recently re-carpeted, installed new blinds and air conditioning and replaced a lot of the library furniture?

At 1:15 the P&C are holding a free sausage sizzle for everybody’s lunch (drinks, chips and lollies will also be for sale, a price list is attached).

At 2pm under the COLA we will hold a special assembly to celebrate public education and also a very special farewell to Mrs Langley.
KAOS

Congratulations to our amazing students for their truly excellent performances last night at the KAOS concert. The concert was a great way to showcase all the great things that Public Education has to offer and also how much the Singleton Learning Community is able to work so well together sharing resources, learning spaces and teaching expertise. Thank you for bringing your children out on a cold night I hope you enjoyed it as much as we enjoyed getting ready for the concert.

NAIDOC

Our annual NAIDOC Day was again another success and thanks to Miss Kime and Miss Pickles at Milbrodale Public School for all the organisation to ensure that the day was a wonderful learning experience for everyone. The students had fun at all the activities and appreciated the barbecue for lunch.

Woolworths Earn & Learn

Woolworths Earn & Learn is back and it is now easier than ever to earn valuable resources for your local primary school, secondary school or Early Learning Centre. Last year more than 14,500 schools and Early Learning Centres benefited from the program, boosting supplies in classrooms, libraries, music rooms, gymnasiums and science labs.

It’s simple to participate. From Wednesday 15th July to Tuesday 8th September 2015, when you shop at Woolworths you can collect Woolworths Earn & Learn Stickers from the checkout operator or through an online order and place them on a Woolworths Earn & Learn Sticker Sheet. There’ll be one Woolworths Earn & Learn Sticker for every $10 spent (excluding liquor, tobacco, and gift cards). Once completed, simply place the Sticker Sheet in the Collection Box, either at your local school or at your local Woolworths.

The community recycling centre at Singleton Waste Depot will be officially opened on Saturday, August 8. In conjunction with this, Singleton Council is holding a car boot sale open to anyone to raise money. I thought your school might be interested in taking part. It’s easy and free. Just fill your car with items you want to sell (sorry no food) and park up at the designated area at the facility and sell, sell, sell. There is no cost so any money you make is all yours. This opportunity is open to anyone in the community, individuals, community groups, charities and sporting bodies so please spread the word. You need to call 6571 5888 to claim a space.

Today you will have received an Educational Experience Booklet

Educational Experience Fundraising is an easy to use fundraising program that provides you access to quality educational toys and games whilst raising money for your school, centre or not-for-profit group.

Educational Experience understands the types of gifts that will captivate children while stimulating their development and learning. Leveraging over 35 years experience in providing toys, games and educational products in Australia’s education and care sector, Educational Experience has selected some unique and different ideas that will help take the stress out of gift buying.

Educational Experience has travelled all over the world to hand select a range of gifts that are not only children friendly, but also aligned with the latest global trends. We have covered all tastes, budgets and ideas with gifts from art and craft, science, books and puzzles to outdoor games. No matter the age or interests of the child, you’ll find a wonderful variety of gift ideas.

The additional benefit of the Educational Experience Fundraising program is that for every dollar spent with Educational Experience Fundraising, 20 cents in learning resource vouchers will be provided for your nominated school, centre or not-for-profit group to spend with Educational Experience.

Be confident to know that your purchase from Educational Experience Fundraising will not only provide a quality gift, but also assist in the ongoing learning and development for children throughout the year.

PARTNERING WITH LIFE EDUCATION

At Education Experience we proudly support the great work Life Education, with their mascot Healthy Harold, do in schools across Australia and are our not for profit of choice. When you nominate Life Education as your chosen charity, for every dollar you spend with Educational Experience, 20 cents in educational resource vouchers will be provided so that Life Education can continue to support and empower Aussie kids to make safer and healthier choices in the future.

Orders are placed directly through Educational Experience and delivered to your home.

Please do not send orders or money in to school.
