**SASS Recognition Week 2015**  
This week we celebrate and thank our wonderful SASS staff for everything they do throughout the year to ensure our wonderful school operates as smoothly and efficiently as it does. At Broke we have Kate, Tash, Julie and David who work tirelessly each and every day they are here. The administration side of the running of our school is done to the commitment and dedication of Kate and Tash. The million and one tasks that need to be done before we head off on an excursion, the professional learning done here at school or off-site are all managed to an exceptionally high standard from the front office. The distribution of the magic ice packs and soothing Band-Aids are all done by Kate and Tash. Julie works her magic with all the students she sees each day and her support to the staff is invaluable. David completes all those ‘man’ tasks for us without a grumble and I know all the students love being able to go up to ‘Pa’ and ask him to fix/retrieve/help them with their little problems. Sam does an amazing job in our library to ensure the students find that special book that they would like to read. Thank you to all our SASS staff from everyone, for all you do, beyond your role statement!
Canberra Excursion
We leave at 6:00am sharp next Tuesday morning. Please be at school no later than 5:45am to enable the driver to pack the bus and the teachers to mark the roll and complete all those last minute administrative tasks that must be completed. I will keep you updated via the Facebook page, skoolbag app and mobile messages of our travels. We aim to return by 6:00pm on Friday and again as we make our way along the motorway we will update our status. Whilst we are in Canberra Miss Cunningham, Miss Pickles and Mrs Mackenzie will be here at school. Staff will unlock the toilets and the classrooms in the morning and the students can begin play from 8:30am. Staff will be available in the office and their classrooms. Please remember to provide an envelope with money for a meal at McDonalds on our way home to school clearly marked with your child’s name.

Synchronised Swimming at Broke Fair
Thank you for supporting this event. Please meet me at the stage area at 11.20am so that we can set up for our performance. Students need to wear swimmers with their towels. I will bring the swimming caps and other items needed. It will be a great way to showcase our students talents!

School times
Please remember school hours are 9:00am-3:00pm. Being punctual is very important and instils within the students the importance of punctuality for appointments and future employment.

Carols in the Park
Carols in the Park is on Friday 11th December. Our school has once again been invited to participate in this event. Please keep this date free and mark it on your calendars. Times, items and what to wear will be sent home closer to the date.
